### • New for 2013

What better way to start a new year than by showing off our newest products! Each one has been carefully selected for its therapeutic purposes. [Fill and Spills](#) are all-purpose toys for Early Intervention great for eye hand coordination and fine motor development. If you are looking for the "just right" gross motor challenge, these adaptable [Rainbow River Stones](#) are for you. Not only do therapists like yoga, but children do too. Our new [Body Poetry: Yoga Cards](#) are split into three levels: easy, intermediate and challenging.

Two outstanding perceptual workbooks, [Perceptual Motor Adventures](#) and [Half and Half Animals](#) are filled with activities for developing pre-reading and pre-writing skills.

November's ASHA Conference offered us the opportunity to test market products for language development. The great feedback we received convinced us to add some fantastic new items such as [Photo Conversation Cards for Children with Autism and Aspergers](#), [Conversation Starters](#), [Question Series and Question Set](#), and [Learn to Respond Appropriately](#).

We are in final preparation for our 2013 catalog. These products plus many others will be included. We hope you're as excited as we are!

### Specials

1. [Pediatric Feeding Disorders - 20% off!](#)

#### Also New for 2013:

##### [Weighted Puppy](#)

Adorable weighted Puppy Shoulder Wrap that kids love! The tail becomes the tongue when pulled through the mouth opening. This helps the wrap stay on the younger, more physically active wearer.

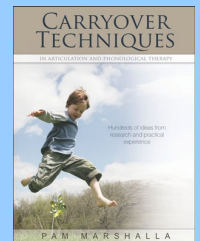

##### [Vibrating Pillow](#)

A vibrating pillow can awaken and provide alertness or it can promote calmness and soothing the individual and the type of vibration.

##### [Carryover Techniques in Articulation](#)

"Carryover" is the ability to take a speech skill and apply it broadly in all speaking situations. This book contains therapy ideas to ponder and use during the process of carryover training.

##### [Weighted Blanket with Removable Duvet](#)

Another great product to assist in oral exploration and to increase movement in the cheek, tongue, lips, and jaw.

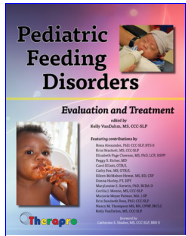

### Seminars

All seminars are free, and are held Saturdays from 9-11 AM in our Showroom.
