● Busy, Busy, Busy!

My head is spinning with all that is going on. Filomena is just back from 3 days in Ohio exhibiting at the [Ohio Institute for OT/PT School-Based Practice](#). This is an annual event for us. [Click here](#) to read about this year's conference.

On Saturday we hosted the first Seminar of our 2013-2014 Saturday Seminar Series. Angela Mahoney, M.Ed. presented her [I Can Work Skills Curriculum](#) to an enthusiastic audience. Go to [icanwork.therapro.com](#) to learn more about the program and to view [video highlights](#) of the workshop. You can also ask questions and interact with Angie on her Facebook page, [I Can Work](#).

We are putting the final touches on the Saturday Seminar Series. Already scheduled are talks on Collaborative Consultation between Therapists and Teachers, Therapeutic Listening, Brain Gym and OT Activities in the Classroom. We are planning to offer reviews of each seminar with video highlights.

We just finalized the time and place of this year's [Drive Thru Menus Training](#). The date is November 8, 2013 at Bay Path College in Longmeadow, MA. It is an easy to get to location (near Interstate 91 and the Mass Pike) in a lovely New England town.

Look for more news to come.

Featured Products

The Recycling Occupational Therapist

The therapy products described in this book are made mostly-if not totally-from recycled throwaways. The products can be used over and over again, and creating them can be fun and rewarding.

Drive Thru Menu Preschool

Designed to help teachers incorporate movement into the foundation skills of literacy, math, science and social studies. Students chant old and new rhymes while participating in fun exercises.

Drive Thru Menu Body Challenge

Learn while you exercise! Includes twenty-five cards each containing a script of how to teach the exercise along with several suggested academic challenges. A must for therapists and teachers!

Rapper Snappers

Stretch accordion-like plastic tubes to produce a loud sound and use hand strength and motor planning to push back to original size.

TracKit

TracKit is engaging and fun! This multi-modal activity kit incorporates motor, visual, and perceptual/cognitive skills.

Please view our [Sale Bin](#) for all of our August specials. These are 1st quality products that are either overstocked or have been discontinued. Please look frequently, as we update this often.
