• What's Going On?

There are a lot of new things going on at Therapro. We hope some of them will interest you. We are adding guest blogs on therapeutic topics of interest to our website. You can read Barbara Smith's, MS, OTR/L experiences with hippotherapy by clicking [here](#). Barbara is the author of [The Recycling Therapist](#) and our own [From Rattles to Writing](#). We expect to be adding new guest blogs on a regular basis.

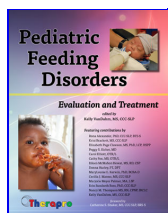

[Filomena's Corner](#) is another new addition. Filomena Conner, MS, OTR is a friend and colleague of many years. She organizes and manages our Saturday Seminar Series and sometimes represents us at conferences. At Filomena's Corner she will review each of the [Therapro Saturday Morning Seminars](#) and other conferences she attends. This feature is being added for those who are unable to attend our seminars and want to get some of the information presented.

Some of our upcoming Seminars will be videoed and will be part of Filomena's review. You can see video clips from Angela Mahoney's August presentation, I Can Work, [here](#). Speaking of videos, we just stumbled across [a 9 minute video from Autism Live](#) discussing our [Pencil and Grip Samplers I](#) and [II](#) and how they can be used with children with autism.

We always have special events to plan for. This fall we'll be exhibiting our publication, [Pediatric Feeding Disorders](#), at the [3rd Annual Neo-Natal Oral Motor Assessment Scale \(NOMAS\) Conference](#) in Las Vegas. We are also sponsoring a [Drive Thru Menu training by Tere Bowen-Irish](#). The Fall schedule will conclude with the Annual [American Speech & Hearing Association \(ASHA\) Conference](#) in Chicago.

There's a lot going on at Therapro!
