● New Year, New Products

We welcome the New Year with lots of new products! We will be featuring a sample of these new items in this and the next newsletter. We're really excited to start off with these great new offerings:

- [Stretch & Match Geoboard](#) - a classic math manipulative that combines fine motor with bilateral coordination.

- [The Economy T-Stool](#) - a durable, less costly option for addressing balance reactions, trunk control, sensory integration responses, focused attention and proprioceptive responses.

- New additions to our Oral Motor Category include an improved design [NUK Massage Brush](#) and a chewy designed for heavy chewers, the [Chewnoodle Max](#).

- The [Good Grips Forks and Spoons](#) have a special twist built into the metal shaft that allows them to be bent to any angle, for either left- or right-handed use. See some new additions to this product line!

- Among our new Sensory products are the [Cozy Caterpillar Body Sox](#) with its unique feature of allowing your head and feet to remain free so that you can still see what's going on around you, [The Relaxer](#), with the optional [Relaxer Cover](#), that serves as a portable weighted blanket, and last but not least the [Vibrating Pillows](#) which are available in 3 different shapes and colors.

Details on all Therapro offerings can be found at www.therapro.com and [our blog](#). You can also follow us on [Facebook](#), [Twitter](#) and [Pinterest](#) or [contact us](#) with any feedback or questions.
