## ● Join Therapro at Council for Education (CEC) Conference and Expo in Philadelphia!

We are off to Philadelphia next month (April 9 -12) as a first-time exhibitor at the [Council for Exceptional Children \(CEC\) Annual Convention and Expo](#). This follows the [American Occupational Therapy Association \(AOTA\) Annual Convention and Expo](#) in Baltimore on April 3 - 5 (more on that in our next newsletter). We will be joined by Angela Mahoney, MEd, a teacher of special needs children in Danbury, CT, who will demonstrate her [I Can Work! A Work Skills Program for Special Needs Programs](#) published by Therapro.

[The I Can Work! Program](#) is a five-module course designed to integrate communication skills with hands-on pre-vocational training in the areas of Job Readiness, Clerical, Retail, Food Service and Grocery. Angie developed *I Can Work!* in response to a need she saw at the Cotting School in Lexington, MA. Over the years while using the Program in school settings and with feedback from special educators, parents and students, she has modified, refined and expanded the program. *I Can Work!* embodies Angie's dedication and enthusiasm and, above all, [her intuition of what works for this population](#).

In preparation for acting as a Therapro representative at the CEC Expo, we asked Angie to identify any Therapro products that she felt could be used in support of *I Can Work!* Here are four that caught her attention:

- [Self-Care with Flair](#) - provides a unique visual way to teach these skills - "brilliant"
- [Teaching Dressing Skills](#) - an excellent addition to any life skills program
- [Activities of Daily Living](#) - focuses on life skills that complement *I Can Work!* skills
- [Fidget Kit](#) - "my boys and students love this kit!"
