### • Memories are Made of This!

What a treat! Our presenter at [last Saturday's seminar](#) was [Diane Long, EdD, MOTR/L](#). Diane has made many distinguished contributions as an occupational therapist and as an educator, but our favorite is the creator of [TRUNKS](#), the game of sequencing and memory. To learn more about her seminar we have [posted several videos](#) taken from Saturday's presentation. In the first two clips, Diane describes how to play TRUNKS and its therapeutic benefits. Be sure not to miss them!
