• CEC and AOTA

It's been a very busy month for us! We spent last week at the [CEC Convention & Expo](#) in sunny San Diego. We met some amazing educators and enjoyed our time at this professional development event. Special thanks to Angela Mahoney, M.Ed. of I Can Work! and Diana V. Mendez-Hohmann, BA, OTA for representing us. See some photos from the I Can Work! [poster session](#) and [click here to learn more](#) about the work skills curriculum.

This week we are headed to the [AOTA Conference & Expo](#) in Nashville. We hope to see you there! Come visit us in Booth 400 and stay in touch via Twitter with the hashtag #AOTA15

• Working with Feeding Problems

For students who have "feeding issues" that limit their participation at snack or lunchtime, a therapeutic feeding program might be appropriate part of their Individualized Educational Plan (IEP). Occupational Therapist Lisa van Gorder addressed this topic comprehensively in Therapro's Saturday seminar.
