### ● Filomena Visits Therapists in Ohio!

We were thrilled to be invited to participate in [The 23rd Annual Ohio Institute for OT/PT School-Based Practice](#) in Columbus, OH last week, mingling with the 650 attendees! The air was buzzing with therapists sharing ideas, anecdotes, and therapeutic strategies in anticipation of the new academic year, which began this week for a number of the Ohio therapists and educators.

Therapro author of the [Drive -Thru Menu Suite of Exercises](#), [Tere Bowen-Irish, OTR/L](#), delivered a dynamic presentation on movement and yoga. We are excited that Tere will be our September Saturday Seminar speaker. Esteemed Boston-area therapist and a past Therapro Saturday Seminar speaker [Teresa May-Benson, ScD, OTR/L, FAOTA](#), Executive Director of the SPIRAL Foundation (Sensory Processing Institute for Research and Learning), was also on the roster of speakers at the conference. Her session was about ideational praxis. Teresa is one of the featured authors of the noteworthy new book, [Autism Interventions](#). For more information about this wonderful conference, see [Filomena Connor's blog](#).

2. [Sensational Fun: Recreational Activities for Sensory Diets and Fun](#)
3. [NOVENOPs! The Zany Card Game that takes Sentences over the Top!](#)
4. [From Rattles to Writing: A Parent's Guide to Hand Skills](#)

### Featured Products

These are some of the products the OTs and PTs in Ohio were drawn to:

#### Goal-Oriented Assessment of Lifeskills (GOAL)

The Goal-Oriented Assessment of Lifeskills (GOAL) is an innovative new evaluation of functional motor abilities needed for daily living.

#### Weight Balls

These compact, soft weighted balls are great for passing or rolling. Colorful, smooth to the touch and easy to grip.

#### Balance Pods

Balance pods are great walk-on domes. Each curved surface is textured; the flat undersurface grabs onto a smooth surface almost like a suction cup.

#### Army Dog Tag Pendants

Specifically designed for older children and adults. Provides a safe option for those who seek out chewing/mouthing on objects.

We are excited to announce the NEW [2015-2016 Therapro Product Catalog](#) is hot off the press! If you don't receive it in your mailbox within the next two weeks, make sure to email us, call us, or sign up on the Therapro website to receive your copy. We're sure you'll be as excited as we are about the new format and design, as well as the introduction of lots of new products.

### **Yogarilla: Exercises and Activities 55 Card Set**

OTis, the OT gorilla, is here to teach your children traditional and original yoga poses in a new, fun, and engaging way!

## **• Saturday Seminar Series Kick-off!**

Our [Saturday Seminar Series](#) kicks off the Fall season on August 22 with [Valorie Todd, MA, OTR/L](#). She will present [OT Rubrics for Fine Motor, Visual Motor, and Handwriting Skills](#), focusing on kindergarten and 1st grade students. Valorie developed these rubrics as a way to monitor quarterly progress performance. She will discuss the following skills areas: object manipulation skills, controlled tool use, visual motor skills, and handwriting. If you would like more information about Valorie's presentation, look for [Filomena's blog](#) and [YouTube video clips](#) after the seminar.
